

How to verify meeting times for classes that have multiple instructional methods

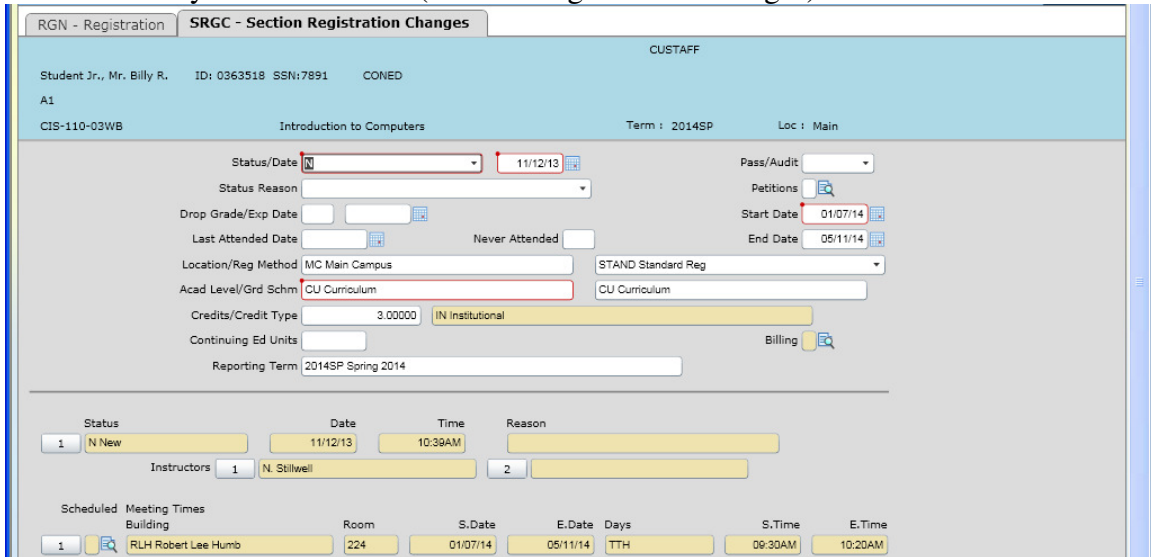

Example: Student registers for CIS-110-03WB. There is a combined lecture and lab component. The RGN screen will display the meet times of the lecture - TTH, from 9:30am – 10:20am:

To view the meeting time of the lab component, drill down on the blue box that says Section Name and Title.

This will take you to the SRGC (Section Registration Changes) screen:

The Scheduled Meeting Times information is listed at the bottom of the screen. The first entry shows that the lecture part of this course meets in Robert Lee Humber building, Room 224, on Tues & Thurs, from 9:30AM – 10:20AM:
