Come to one of our weekly Wks/NCRC Open Lab sessions to learn everything you need to know about WorkKeys (Wks) and the National Career Readiness Certificate (NCRC). During this lab you will gain access to our free online study tool, can ask questions, and get scheduled for testing. You may come anytime during the available lab hours; however, we recommend that first time participants come at the beginning of the session. Registration for Open Lab is not required; NCRC Labs are conducted at the Pitt Community College - Greenville Center (GC) (3107 S. Memorial Drive, Greenville, NC 27834), in Room 403 and the Annex Building (AB) (550 Dexter St., Greenville, NC 27834) – located directly behind the Greenville Center.
