## What is it?

An innovative leadership program designed to meet our College's need for the active participation of informed and dedicated student leaders.

The features of the program include:

- Choosing ten to twelve exclusively selected representatives of the student population to perform a variety of services such as conducting campus tours for visitors, serving as host/hostesses for official college/foundation events, and recruitment.
- The ambassadors will receive compensation in the form of in-state tuition and fees and will be provided with collegiate attire to distinguish them as official college representatives.
