ADVANCED PLACEMENT (AP) ACCEPTANCE

Advanced Placement (AP) subject credit is awarded in accordance with the acceptance chart below and based on the scores received. Students must submit their official AP score report from the College Board showing all AP scores received to the Pitt Community College Office of the Registrar for official credit to be awarded. Students enrolled via the Career & College Promise program must provide AP score reports to CCP advisors for credit prior to registration in courses with pre-requisites earned through AP credit.

The Advanced Placement (AP) acceptance policy is subject to yearly review by the appropriate college personnel and could warrant changes in the policy to align with academic programs and curriculum updates.
