College Level Examination Program (CLEP) Policy for Pitt Community College

Procedures:

1. Only credits from courses approved by PCC will be granted.
2. Official CLEP score reports should be sent to Pitt Community College as part of the admissions application process. "Official" score reports (sent directly from The College Board to PCC) can be requested by visiting The College Board website at www.collegeboard.com.
3. CLEP Credit may not be counted as part of the class load for financial aid purposes, athletic or extracurricular eligibility.
4. While there is no limit to the number of credits that may be earned by passing CLEP exams, students must complete a minimum of 25% of their required credit hours with PCC in order to meet residency requirements.
5. Credits for CLEP exams are posted as transfer credit and will be treated as transfer credit in respect to eligibility to be awarded as credit.
6. PCC has a list of CLEP exams that it accepts for credit and the score requirement for each exam. It is the student's responsibility to verify that the exam they take will apply to their program.
7. Students are encouraged to talk with their advisor before attempting a CLEP test.
8. Students who are transferring to another institution should be familiar with that institution's CLEP policy. Please note that each institution establishes its own requirements, minimum scores, and credit awarded.
9. Credits initially earned by passing a CLEP exam will be deducted from cumulative credit earned if a student subsequently enrolls in and completes a college-level course that is similar in content to the subject matter covered by the CLEP exam.
10. PCC officials reserve the right to revise this policy without notice. Credits awarded for CLEP exams are done so according to the policy in effect at the time of the CLEP transcript evaluation.
11. CLEP exams may be repeated no sooner than six months after the date of the last test.
12. CLEP tests are administered on campus by appointment only. All appointments and other questions should be directed to Placement Testing (252) 493-7561.

This policy applies to PCC students and is subject to yearly review by the college.
