Program Option/Electives	
Program's highest developmental courses that MUST be completed	Placement scores determine required courses
Notes:	

Please note that this is a possible semester-by-semester course of study. Any developmental courses such as DMA and DRE courses that are necessary for student placement could extend the time needed for completion. In such cases, graduation may be extended by one or more semester(s). Other delays might be experienced in regard to the timelines of various course offerings.
