

INTRODUCING NEW OPTIONS FOR COLLEGE PREP AT PCC!

Do you want to begin PCC college classes this summer or fall while saving time and money? We can help!

Transitional Studies Department Classes

If you do NOT have a valid high school GPA and need to take the RISE placement test, you may be able to ACCELERATE your studies by taking these FREE classes before enrolling in your college courses.

Transitions English

Successful completion of Units 1-6 of this course will allow you to enter PCC's curriculum courses **accompanied by co-requisites** offered by the Department of Developmental Studies. Successful completion of Units 1-10 of this course will allow you to enter curriculum courses without co-requisites or any additional developmental English coursework.

Transitions Math

This course will allow you to work through math tiers to prove mastery of the content. Acceptable unit test scores will enable you to bypass some or all developmental math coursework upon college entry. Co-requisites may be required.

TRANSITIONS ENGLISH

See Mrs. Grubbs in Leslie 205 to sign up or for more information.

TRANSITIONS MATH

Class meets face-to-face on Thursdays from 1:00-4:00 and online for the remainder of the week. See Mrs. Grubbs in Leslie 205 for more information.

TRANSITIONS LEARNING CENTER M-TH 8 AM - 8 PM LESLIE 207

Self-paced instruction for either English or math is available in the TLC as an alternative to the structured class.

**All Instruction is offered
free of charge!**

**Call (252) 493-7560 for
more information.**
