"I got hired at Pitt County Department of Social Services on January 25, 2021. I love it here. Everyone is so friendly. Taking the Human Services class prepared me for the environment I'm in now. Things are done a little different because of the pandemic. In the Human Services class, we were taught the importance of customer service no matter the circumstance."

- Jewel Williams

Working Smart

One of the major reasons why individuals are released from employment is not because they lack the technical skills to perform the job, but because they lack the soft-skills needed to succeed in the workplace. We can help identify and teach the critical soft-skills necessary for you to be an effective worker and a strong team player in a fast-pace environment. You will learn the importance of personal branding, dealing with stress, how to actively listen, effectively communicate, adjust to change, and problem solve. **30 hours. $125. HEALTH CARE

Pharmacy Technician Training

Learn the basic knowledge and skills required to work as a technician in a pharmacy including basic math, compounding, drug calculations, drug classifications, drug distributions, basic terminology, and an overview for the PTCB certification exam. At the end of the course you will be prepared to sit for the PTCB certification exam. Employing CPhTs allows pharmacies to expand services and enhance patient care, and gives pharmacists more time to spend with patients, providing drug information, answering questions, and promoting compliance with medication regimens. Certification provides the public and pharmacists with greater confidence in their pharmacies. In order to sit for the Pharmacy Technician Certification Exam (PTCE), you must have completed high school or have your high school equivalency and you must have no felony convictions. PTCE candidates must also have never been convicted of a pharmacy or drug-related misdemeanor. This is an online class through ConEd Moodle. **140 hours. $190; book is approximately $195.**

OCCUPATIONAL TRAINING

Nurse Aide II - Hybrid

Are you an NA I and interested in performing advanced nursing procedures? Our NA II program includes 93 hours classroom/lab and 80 hours clinical learning experiences. You must meet admission requirements, be CPR certified through an American Heart Association approved CPR course, and have a current listing as an NA I with the Division of Health Service Regulation in Raleigh. Upon successful completion, you will be listed with the NC Board of Nursing with employment opportunities at the hospital, doctor's office, and home health levels. At the end of the course, a successful graduate will submit a Board of Nursing Test Fee of $24. This class is a hybrid class. Lecture portion will be completed online. Students will be divided into lab groups that will consist of less than 9 per group to promote social distancing. Lab times are assigned on one of the scheduled class days. *Prerequisite: Nurse Aide I.* **173 hours. $215; book is approximately $145; NA II Supply Kit $90.**
