Who We Are...

Thank you for your interest in Continuing Education and Workforce Development at Pitt Community College. We provide a range of courses and programs for individuals to upgrade their job skills, pursue a new career, start a small business, or explore personal enrichment activities. PCC is committed to providing quality educational experiences at our main campus in Winterville, the Greenville Center at 3107 S. Memorial Drive, various off-campus locations in the community, local worksites, and online.

Above all, our mission is to educate and empower our students. We work to provide the residents of Pitt County with offerings that will improve their quality of life. We invite you to take a virtual tour of our campus (https://bit.ly/3eS73Xw), visit our website www.pittcc.edu, and review this course schedule. We look forward to seeing you in one of our classes soon. GO BULLDOGS!!

Dr. Lawrence L. Rouse
President,
Pitt Community College

"I got hired at Pitt County Department of Social Services on January 25, 2021. I love it here. Everyone is so friendly. Taking the Human Services class prepared me for the environment I’m in now. Things are done a little different because of the pandemic. In the Human Services class, we were taught the importance of customer service no matter the circumstance."

- Jewel Williams
Human Resources Development (HRD)

Human Services Exploration: DSS Caseworker

We will provide employability skills training and career exploration for the role of Income Maintenance Caseworker within Division of Social Services agencies. **45 hours. $125.** Fee waiver available for those who qualify.

Income Maintenance Caseworker - NCFAST

Learn the skills associated with becoming an Income Maintenance Caseworker. Specific focus will include proficiency in the utilization of the NCFAST application. Other topics will include skills in communication, interviewing, time management, data gathering/compiling, and data analysis. **Prerequisite: Human Services Exploration: DSS Caseworker. 48 hours. $125.**

144389 10/11-11/15 M W Th 7p-10p online

Working Smart

One of the major reasons why individuals are released from employment is not because they lack the technical skills to perform the job, but because they lack the soft-skills needed to succeed in the workplace. We can help identify and teach the critical soft-skills necessary for you to be an effective worker and a strong team player in a fast-pace environment. You will learn the importance of personal branding, dealing with stress, how to actively listen, effectively communicate, adjust to change, and problem solve. **30 hours. $125.** Fee waiver available for those who qualify.

BIOTECHNOLOGY

BioWork Certificate Program
Gain the basic skills and knowledge needed to begin a career as a Process Technician for a biotechnology, pharmaceutical, or chemical manufacturing company. A process technician operates, monitors, and controls the production process; receives, transports, and stores materials; collects and analyzes materials used in production; inspects and maintains the production equipment and control systems; keeps critical records on the process and product; and maintains company safety, health, and environmental standards. This hybrid course will also cover all aspects of the job search process, resume preparation, and interviewing practice. Lecture and assignments will be online; labs will be hands-on and in person one night per week. Prerequisites: High school diploma or equivalent, National Career Readiness Certificate completion. 153 hours. $180; required manual $99. Scholarship funding is available to cover all program costs. For those who qualify, GEER Scholarship students can receive money for successfully completing the course. For registration and NCRC information, call 252-493-7885 or email workforcedevelopment@email.pittcc.edu.
Group1 8/30-11/19 T 6p-10p WMW229
Group2 8/30-11/19 Th 6p-10p WMW229

* Students interested in Barber School or Cosmetology classes should complete registration information online.

Students should register online for the Barbering Wait/Interest List (Class prefix begins with BAR) or the Cosmetology Wait/Interest List (Class prefix begins with COS). This process allows students to complete the required registration information and pay for the first semester’s tuition. Students will be contacted on a first-come, first-serve basis to complete other program prerequisites and finalize the enrollment process. If students are not moved from the wait list to a specific class, they will be refunded. If you have questions, please contact Wendy Dunbar at 252-493-7528 or wdunbar@email.pittcc.edu.

OCCUPATIONAL TRAINING

COSMETOLOGY

Intro to Cosmetology *
Learn the qualifying classroom and clinical education necessary to sit for the NC Cosmetic Arts Board Licensing examination. Due to COVID, this hybrid class will have 2 small cohorts of students assigned in the classroom for testing weekly for a two-hour period and online assignments for four days of the week. Placement test is required prior to registration. 374 hours. $185.55 a semester; kit and uniform are an additional cost and are required. Classes are held online and at the PCC Hairstyling Academy located at 426 Arlington Blvd.

144511 10/5-12/17 TW 8:30a-4p PCC HSA online

Cosmetology Clinical *
Master the next level of qualifying classroom and clinical education necessary to sit for the NC Cosmetic Arts Board Licensing examination. Due to COVID, this hybrid class will have 2 small cohorts of students assigned for 2 days in the classroom to learn practical skills; other days online. Prerequisite: 300 hours of accredited cosmetology training. Lab hours. $185.55 a semester; kit and uniform are an additional cost and are required. Classes are held online and at the PCC Hairstyling Academy located at 426 Arlington Blvd.

AUG. 30 – NOV. 19
- Hybrid class
- Labs on Tues. or Thurs. from 6pm-10pm
- Williams Building, Rm 229
- Registration deadline is Aug. 25 unless capacity is reached sooner
- Registration fee: $180
- Required student manual: $99
- NCRC is a prerequisite and has a fee of $39

What is a Process Technician?
- Operates, monitors, and controls the production process.
- Receives, transports, and stores materials.
- Collects and analyzes materials used in production.
- Inspects and maintains the production equipment and control systems.
- Keeps critical records on the process and product.
- Maintains company safety, health, and environmental standards.

SCHOLARSHIP FUNDING is available to cover all program costs! For those who qualify, GEER Scholarship funding students can receive money for successfully completing the BioWork Program.

For registration and NCRC information, call 252.493.7885 or email workforcedevelopment@email.pittcc.edu. For more information about the BioWork Program visit https://www.ncbiotnetwork.org/biowork.
**Emergency Medical Technician**

The Emergency Medical Technician (EMT) Certification is a qualified pre-hospital program consisting of didactic course work. The following competencies include but are not limited to the recognition, assessment, and management of medical emergencies. An EMT performs skills such as CPR, artificial ventilations, oxygen administration, basic airway management, AED defibrillation, spinal immobilization, vital signs, and hemorrhage control. Successful completion of the course will allow you the opportunity to sit for the North Carolina Office of EMS certification examination. 214 hours. $180 plus additional costs. (Fee waived with proper documentation from agency)

*For more information: pccems@email.pittcc.edu*

**Pharmacy Technician Training**

Learn the basic knowledge and skills required to work as a technician in a pharmacy including basic math, compounding, drug calculations, drug classifications, drug distributions, basic terminology, and an overview for the PTCB certification exam. At the end of the course you will be prepared to sit for the PTCB certification exam. Employing CPhTs allows pharmacies to expand services and enhance patient care, and gives pharmacists more time to spend with patients, providing drug information, answering questions, and promoting compliance with medication regimens. Certification provides the public and pharmacists with greater confidence in their pharmacies. In order to sit for the Pharmacy Technician Certification Exam (PTCE), you must have completed high school or have your high school equivalency and you must have no felony convictions. PTCE candidates must also have never been convicted of a pharmacy or drug-related misdemeanor. This is an online class through ConEd Moodle. 140 hours. $190; book is approximately $195.

144506 1/18-4/19 online online online
Nurse Aide I
Would you like to learn how to provide personal care and perform basic nursing skills? Our NA I program includes classroom, lab, and clinical learning experiences. To enroll, you must meet admission requirements. At the end of the course, a successful graduate will receive a certificate of course completion and assistance with the application process for the Credentia/Pearson Vue NC State Testing (testing fee is $140, paid via www.pearsonvue.com). We are offering a hybrid class and a traditional class. Lecture portion for the hybrid class will be completed online. Students will be divided into lab groups consisting of less than 9 per group to promote social distancing. Lab times are assigned on one of the scheduled class days. **132 hours.**

**$213; book is approximately $48 (subject to change - check website for updates).**

OCCUPATIONAL TRAINING

Nurse Aide II - Hybrid
Are you an NA I and interested in performing advanced nursing procedures? Our NA II program includes 93 hours classroom/lab and 80 hours clinical learning experiences. You must meet admission requirements, be CPR certified through an American Heart Association approved CPR course, and have a current listing as an NA I with the Division of Health Service Regulation in Raleigh. Upon successful completion, you will be listed with the NC Board of Nursing with employment opportunities at the hospital, doctor’s office, and home health levels. At the end of the course, a successful graduate will submit a Board of Nursing Test Fee of $24. This class is a hybrid class. Lecture portion will be completed online. Students will be divided into lab groups that will consist of less than 9 per group to promote social distancing. Lab times are assigned on one of the scheduled class days. Prerequisite: Nurse Aide I. 173 hours. $215; book is approximately $145; NA II Supply Kit $90.

Phlebotomy (Experience)
Learn to draw blood specimens from patients for the purpose of testing and analyzing blood. A phlebotomist’s job includes maintenance of equipment used in obtaining blood specimens; the use of appropriate communication skills when working with patients; the selection of venipuncture sites; the care of blood specimens; and the entry of the testing process into the computer, as well as clerical duties associated with record keeping of the blood tests. You must be a high school graduate or have your high school equivalency, have taken or be scheduled to take Healthcare Provider CPR, and meet immunization requirements. One full week of clinical from 8am-5pm is required for each student to complete the program. Clinical times and locations will be designated by instructor. This class is a hybrid class. Didactic portion will be held online on Mondays, Wednesdays and Thursdays. Students will be divided into lab groups of no more than 9 students per group to promote social distancing. Lab times are assigned on one of the scheduled class days. Clinical times will vary, however all clinicals must be complete by 5/23/22. 232 hours. $215; book is approximately $80.

Spring 2022
144505 1/31-5/23 M-W-Th 6p-10p GS404/online
Clinical Varies M-F 8a-5p Various

Cardiovascular Tech/Monitor
(formerly EKG)
The Cardiovascular Tech/Monitor program focuses on Acute and Critical Care Heart monitoring and reflects the latest knowledge in the Cardiac field. It begins by covering all the basics of arrhythmia interpretation and covers cardiac anatomy and physiology and clinical interpretation of the electrocardiography and pacemaker rhythms. This program may be taken by a student with either no EKG training or by a student who previously had basic EKG training interpretation. Employment is usually at the hospital level, in an Acute or Critical Care area of the hospital setting. This is an online class through ConEd Moodle. 128 hours. $205; book is approximately $71.

144504 2/9-3/9 7p-10p online online online

BLS Provider
(Basic Life Support)
BLS Healthcare Provider is a basic life support course including relief of foreign body airway obstruction, 1 and 2 rescuers CPR in infant, child, and adult, and use of automated external defibrillators in adult and child. Class size is limited to 9 students per class. 6 hours. $80; book (AHA-Health Care Provider) & Face Mask are approximately $35 at PCC Bookstore, and both are required.

Medication Aide
Do you want to become qualified as a Medication Aide? We will cover the six rights of medication administration for non-licensed personnel including: medication administration via the oral, topical and instillation routes; medical asepsis; hand hygiene; terminology; and legal implications. Upon completion, you should be able to take the competency exam and demonstrate skills necessary to qualify for listing on the NC Medication Aide Registry. You must be a Nurse Aide I to work as a Medication Aide in a Skilled Nursing Facility. 24 hours. $80; book is approximately $35. Medication Aide Testing Fee: $59.

**Note 1:** Due to COVID-19, please call the Placement Testing Center to schedule your Placement test at (252) 493-7561. All students are required to show a photo ID in order to test as well as present their student ID number.

**Note 2:** Nurse Aide I requires a criminal background check specifically from www.castlebranch.com. The cost for the criminal background check for N.C. residents is $34.75 and non-residents is $59.75. N.C. residents should use code pi06 and out of state students should use code pi06os when registering with Castle Branch. Students can complete the criminal background check on the first day of class.

**Note 3:** Nurse Aide II requires a criminal background check and drug screening specifically from www.castlebranch.com. The cost for the criminal background check for N.C. residents is $34.75 and non-residents is $59.75. N.C. residents should use code pi06 and out of state students should use code pi06os when registering with Castle Branch. The drug screening test will be paid via www.castlebranch.com at a cost of $32.00 for each student. Students should use code pi06dt for the drug screening test. Once the drug screen is paid for via the website, print collection form and take to your local LabCorp for specimen collection. The clinical dates and times will vary and will be assigned by the instructor. Rotation Manager fee is $27.99 for Vidant Medical Center clinicals. If you fail to complete the criminal background (have certain crimes and/or pending cases) or if you fail to complete the drug screening, you may be denied admission to required clinical sites and you will not receive a refund. If you have any questions regarding the criminal background and drug screen requirement, please call (252) 493-7225.

**Note 4:** Phlebotomy – The Phlebotomy course requires a criminal background check and drug screening. Criminal background checks and screening will be completed via www.castlebranch.com. The criminal background check cost for N.C. residents is $34.75 and non-residents is $59.75 for out of state students. N.C. residents should use code pi06 and out of state students should use code pi06os when registering with Castle Branch. The drug screening test will be scheduled and paid via the website www.castlebranch.com at a cost of $32.00 for each student. Students should use code pi06dt for the drug screening test. Once the drug screen is paid for via the website, print collection form and take to your local LabCorp for specimen collection. A lab cost is required before you can participate in clinical. Clinical times will be 1 full week from 8am-5pm. Clinical times will be assigned by the instructor. If you fail to complete the criminal background (have certain crimes and/or pending cases) or if you fail to complete the drug screening, you may be denied admission to required clinical sites and you will not receive a refund. If you have any questions regarding the criminal background requirement, please call (252) 493-7225.

Any student with a felony and/or an open or pending charge on a Criminal Background Check could be denied a clinical rotation per the clinical facility. If the student is denied attending clinical, this would lead to immediate dismissal from the N.A. I, N.A. II, or Phlebotomy program.

Required documentation provided to PCC: Students should bring copies of all the required information and keep a copy for their own records. Credentia/Pearson Vue State Testing (N.A. I Certification Test Fee): $140.00 payable at the end of the N.A. I course to Pearson Vue.

Board of Nursing N.A. II Fee: $24.00 payable at the end of the N.A. II course to NCBON. Students must pay fee within 30 days of course completion or student will not be listed as an N.A. II.

**OCCUPATIONAL TRAINING**

**Mandatory Uniform and Supply List for N.A. I & N.A. II:**

- Uniform must be royal blue with white PCC logo on the right side and royal blue pants
- White or Black shoes with enclosed front (no foam crocs)

REAL ESTATE

PLEASE NOTE: Due to COVID, real estate classes are being held online with only the pre-licensing class having a one-day in-person component for final exam testing. All online components of real estate classes will be performed via WebEx platform. Training will occur at the stated dates and times for each class listed below. You must have a computer or tablet with webcam and microphone in order to participate in this synchronous online training. Smart phones are not allowable devices for participation. You will be contacted prior to start of class with specific class information via email.

Real Estate Pre-Licensing
Are you interested in becoming a provisional broker? We can help you prepare to pass the real estate license examination administered by the NC Real Estate Commission. Topics will include basic real estate principles and practices, law and contracts, financing, closing valuation, fair housing, and real estate laws. This hybrid class will consist of online synchronous lectures along with additional online resources for all instruction. Final exam will be held in person in the Goess Student Center Multipurpose Room. Instructor: Jim Weese or Rick Eason. 80 hours. $185; required book is approximately $50 and must be purchased at the PCC Bookstore prior to class.

Real Estate Post-Licensing

Broker Relationships & Responsibilities
Are you a provisional broker? This course is one of the three mandatory post licensing courses that must be completed by newly licensed NC provisional brokers within 18 months of obtaining a broker license. Topics addressed include a review of agency relationships in real estate residential and commercial sales and commercial property management transactions, a real estate broker’s legal duties to clients and customers, a step-by-step review and discussion of the functions and responsibilities of a real estate broker when working with sellers and buyers, a review of issues associated with transactions in progress when a broker leaves a firm, and a review of selected license status and educational issues. Instructor: Jim Weese. 30 hours. $185.

144524  9/13-9/22 MWF  8a-2p   online

Real Estate Post-Licensing Contracts and Closings
Are you a provisional broker? This course is one of the three mandatory post licensing courses that must be completed by newly licensed NC provisional brokers within 18 months of obtaining a broker license. Topics addressed in this course include selected basic contract law concepts, real estate sales contract preparation, sales contract procedures, buyer’s due diligence, closing procedures, Real Estate Settlement Procedures Act, closing disclosure preparation, contracts for deed, options and selected real estate license status and educational issues. Instructor: Jim Weese. 30 hours. $185.

LOCATION KEY ON PG. 33
Real Estate Post-Licensing NC Laws, Rules, & Legal Concepts

Are you a provisional broker? This course is one of the three mandatory post licensing courses that must be completed by newly licensed NC provisional brokers within 18 months of obtaining a broker license. Topics address in this course include general NC licensing requirement, the disciplinary process, broker compensation issues, specialized types of real estate, property management in NC, and miscellaneous NC laws and legal concepts. Instructor: Jim Weese. 30 hours. $185.

144526 11/8-11/17 MWF 8a-2p online

SKILLED TRADES

GTAW (TIG) Plate Welding

You will be introduced to the gas tungsten arc (TIG) welding process. Emphasis will be placed on advancing skills with the GTAW process, making groove welds on carbon steel plate and pipe in various positions. Upon completion, you should be able to perform groove welds with prescribed electrodes on various joint geometry. Instructor: Charles Newkirk. 64 hours. $185.55.

144617 9/18-11/6 Sa 7a-3:30p MW101

Pitt Community College will offer the American Welding Society Certification testing. This program tests welders on procedures used in the structural steel, petroleum pipelines, sheet metal, and chemical refinery welding industries. If interested please contact Charles Newkirk at cnewkirk@email.pittcc.edu or Gail Nichols at gnichols@email.pittcc.edu.

GMAW (MIG) Plate Welding

You will be introduced to the gas metal arc welding processes. Topics include equipment setup, fillet, and groove welds with emphases on application of GMAW electrodes on carbon steel plate. Upon completion, you should be able to perform fillet welds on carbon steel with prescribed electrodes in the flat, horizontal, vertical, overhead and flat groove. The blueprint portion teaches you the welding symbols and their application. We will cover visualization of objects and shapes, reading the blueprint for finding size and location dimensions, symbols, mathematics notes and related welding and assembly information shown on the print. This course serves as a prerequisite for taking the AWS D1.1 Certification (This test carries an additional charge). Offered in English and Spanish. Instructor: William Filmore. 96 hours. $185.55.

144576 9/10-10/30 F 5:30p-9:30p WMW121 Sa 8a-4:30p MW101

Blueprint Reading for Welding

Learn about welding symbols, the elements of the welding symbols, and different welding processes. We will also cover visualization of objects and shapes, reading the blueprint for finding size and location dimensions, symbols, mathematics notes and related welding and assembly information shown on the print. You will develop an understanding of how to read welding blueprints and the range of thinking required to assemble simple components and assemblies from welding prints. Instructor: William Filmore. 32 hours. $130.55.

144574 9/10-10/29 F 5:30p-9:30p WMW121

HVAC Preventative Maintenance

Through hands-on training, you will learn basic diagnostics and preventative maintenance for residential HVAC systems. A CFC certification will be offered to those who pass the EPA exam. You will need to wear closed toe boots and long pants. Also required are safety glasses and mechanic gloves. Instructor: John Mulder. 48 hours. $130.55.

144618 8/28-10/9 Sa 8a-4:30p KVV105A

Introduction to Bricklaying (Masonry)

Learn the fundamental techniques and practice in the concepts of building brick walls, steps, corners, chimneys, and other brick structures. Emphasis is placed on the correct use of the mason’s trowel, level, plumb line and tape measure. Job safety and safe work habits will be covered as well. Upon successful completion, a student may sit for the NCCER Testing Certification. Instructor: Rob Waugh. 96 hours. $185.55.

144581 9/11-12/4 Sa 8a-4:30p CIT133

Plumbing Fundamentals

Learn the basic fundamentals of plumbing. We will cover tape measure reading and plumbing materials and tools; plumbing safety; pipe and tubing, copper fittings, PVC materials and uses; soldering practices; valves and applications. You will learn the basic installation and repair of plumbing fixtures. Instructor: Buddy Lewis. 48 hours. $130.55.

144619 8/7-9/11 Sa 8a-4:30p KVV101

Basic Electrical Wiring Level I

This 8-week class teaches the basic safety, application, and mechanics of electrical wiring. You will learn basic electrical concepts and theory, application of the NEC (National Electrical Code), reading blueprints, wiring devices and methods, and proper installation. Upon completion, you should be able to safely and properly install basic electrical components and infrastructure. Instructor: William Filmore. 48 hours. $130.55.

144577 8/23-10/4 M-Th 7:30p-9:30p VEW153
OCCUPATIONAL TRAINING

Basic Electrical Wiring Level II
The Electrical II class is an add-on of practical wiring methods and fundamentals taught in the Electrical I class. We provide the needed mix of knowledge and experience to gain employment as an entry level position in both residential and commercial electrical industries. Hands-on training will include the topics: Safety, Basic Electricity, National Electrical Code, Circuit Design, and Wiring Methods. Upon completion of both courses, you will be proficient in the following: Basic AC/DC theory including safety; Circuit design, sizing, and wiring various circuits including three and four way lighting circuits; Minimum code requirement for course related installations; Formulas needed and hands-on experience bending and installing electrical conduit mainly “EMT”; Other wiring methods; and Requirements and practical guide to installing electrical services. Instructor: William Filmore. 48 hours. $130.55.

16-Hour Electrical Renewal
This course provides the 8 or 16 hours of continuing education required by the North Carolina Electrical Board to maintain a current electrical license. Instructor: Ray Hardee. 16 hours. $75.

Framing & Carpentry
Come learn the basics of Framing and Carpentry. You will learn how to use the basic carpenter hand tools and power tools in a safe practice with an overview of the building construction trade. Improve your knowledge of construction with hands on experience as we build a variety of projects. Instructor: Steve Jordan. 48 hours. $130.55.

HVAC Duct Systems II
This course introduces the techniques used to lay out and fabricate ductwork commonly found in HVAC systems. Emphasis is placed on the skills required to fabricate ductwork. Upon completion, students should be able to lay out and fabricate simple ductwork. Instructor: Sam Ristow. 48 hours. $130.55.

Machining for Gunsmithing
One of the best ways to expand your hobby or refine your skills in Gunsmithing is to have the tools needed to care for your firearms. Learn how to manufacture tools necessary for the gunsmithing trade and perform basic operations of measuring, layout, drilling, sawing, barrel threading, turning and milling as well as how to follow safe practices in these manufacturing processes. You will learn machine safety, measuring tools, blueprint reading, lathes, saws, milling machines, bench grinders, and layout instruments. Upon completion, you may opt to take the National Institute of Metal Working Test for an additional $125. Instructor: Paul Hill. 96 hours. $185.55.

Modern Semi-Automatic Handgun Repair, Tips & Tuning
Learn the most popular models of modern handguns such as those made by Glock, Sig Sauer, Heckler & Koch, Beretta, Smith & Wesson, Colt 1911 and their clones. Class will consist of disassembly, reassembly, cleaning, tuning of actions (aka “trigger jobs”), accuracy considerations, switching of sights and other modifications. We will also discuss safety measures, ammunition considerations, and problem diagnosis. Instructor: Jim Marsal. 24 hours. $145.55.

1911 Pistol, Accurizing and Tuning
We will cover the most popular models of 1911 and 1922-A1 pistols such as Colt, Baer, Wilson Combat, Kimber, Springfield Armory, Taurus and their clones. You will learn disassembly, reassembly, cleaning, tuning of actions (aka “trigger jobs”), barrel throating, accuracy considerations barrel bushing fitting, safety installation, general modifications and necessary repairs. Safety measures, magazine selection/maintenance, ammunition considerations, holster selections, as well as problem diagnosis will also be covered. Instructor: Jim Marsal. 24 hours. $145.55

AR15/AR10/SR25 Rifle & Carbine: Build, Accurizing and Tuning
We will cover the most popular models of the AR15 and their clones. The class will consist of disassembly, reassembly, cleaning, tuning of actions for better function, accuracy considerations, general modifications and necessary repairs. You will be able to build a complete rifle in class with parts you bring, and/or rebuild and tune your own rifles that you already have. Safety measures, magazine selection/maintenance, ammunition considerations, sling selection, sight selection as well as problem diagnosis will be covered. Instructor: Jim Marsal. 24 hours. $145.55

1911 Pistol, Accurizing and Tuning
We will cover the most popular models of 1911 and 1922-A1 pistols such as Colt, Baer, Wilson Combat, Kimber, Springfield Armory, Taurus and their clones. You will learn disassembly, reassembly, cleaning, tuning of actions (aka “trigger jobs”), barrel throating, accuracy considerations barrel bushing fitting, safety installation, general modifications and necessary repairs. Safety measures, magazine selection/maintenance, ammunition considerations, holster selections, as well as problem diagnosis will also be covered. Instructor: Jim Marsal. 24 hours. $145.55

NC Concealed Carry
Learn the aspects of the North Carolina Concealed Carry Handgun Law as they apply to the rights of citizens to carry a concealed handgun. You will also learn how to apply the fundamentals of safety and basic marksmanship. If you are a first-time shooter, you will need to take the Basic Pistol class prior to this one. No .22 caliber or single action revolvers are allowed. All firearms must be clean and functioning. Classroom portion held at the Greenville Center. Upon registration, you will receive an email with instructions. For any additional information, contact Lisa Webb at 252-493-7317. Instructor: Robert James. 9 hours. $90.

144254 9/25 Sa 8a-6p GS401
144255 11/20 Sa 8a-6p GS401
144256 12/4 Sa 8a-6p GS401

Basic Pistol
You will be introduced to the knowledge, skills, and attitude necessary for owning and using a pistol safely. You will also learn about pistol parts and operation, ammunition, gun safety, pistol shooting fundamentals, and pistol shooting activities. If you are bringing your own gun to the range, you must provide your own factory ammo. Also bring safety glasses and hearing protection. Classroom portion held at the Greenville Center. Upon registration, you will receive an email with instructions. For further questions, contact Lisa Webb at 252-493-7317. Instructor: Robert James. 9 hours. $90.

RECEIVING FOOD STAMPS?

Pitt Community College is offering the opportunity to earn a certificate or job-specific training in desired fields. The Food and Nutrition Services Employment and Training (FNS E&T) program provides tuition assistance for students receiving Food Stamps benefits. The program can also help you pay for training, textbooks, supplies, and provide you with support services to help you face barriers head-on.

For more information, call (252) 902-1392 or Curshenia Wilson at (252) 493-7904. The FNS E&T program will continue to provide tuition support and serve the many people affected by the COVID-19 Pandemic.

BENEFITS OF THE PROGRAM:
> Tuition assistance
> FNS E&T can pay for: required textbooks, equipment, supplies and professional licensure exams
> Career and Education planning
> One-on-one Education Navigator support
> Support and retention services
> Job search assistance and support
ONLINE CLASSES

WELCOME! Our courses are informative, fun, convenient, and highly interactive. These courses, developed by industry experts, offer engaging student discussion with access to instructor feedback throughout the class.

New sessions of our instructor-led courses begin each month and last six weeks. Course lessons are released twice a week and can be accessed from any computer with an internet connection 24 hours a day, seven days a week. For the independent learner, our self-paced courses provide access to all lessons immediately with up to three months to complete. Visit www.ed2go.com/pittcc to see a full list of classes and prices, and get started today!

How to Get Started:
1. Visit our Online Instruction Center: www.ed2go.com/pittcc
2. Please click on a course category you're interested in or type your interest in the search box. Click on a course title. Scroll down past the course descriptions and click on the "Add To Cart" button. Type in the requested information and you will receive an e-mail with further instructions.
3. When your course starts, return to our Online Instruction Center and click the Classroom link. Log in with your email and the password you selected during enrollment.

Start Dates:
New course sessions begin each month. Our upcoming sessions begin:
8/18, 9/15, 10/13, 11/17, 12/15

Roslyn Bethea · rbethea@email.pittcc.edu

REGISTRATION INFORMATION

REGISTRATION

- Registration is on a FIRST COME, FIRST SERVED basis.
- Any adult 18 years of age or older (and out of high school) may register for a course.
- Individuals 16-18 years old may register only with written permission from their high school official.
- Pitt Community College reserves the right to change schedules at any time and to add or withdraw courses.
- No walk-in registration on the first day of class.
- You must register three days before the class start date.
- Payments accepted include check, money order, and credit card. NO CASH!
- First time students must complete and turn in the student data form.

REFUND POLICY

- No refunds or transfers for Self-Supporting (SEF) courses unless the course is canceled by Pitt Community College.
- Refunds are automatically processed by the Cashier’s Office for all courses canceled by Pitt Community College.

The College may refund registration fees under the following circumstances:
- If a class is canceled due to insufficient enrollment, the student will receive a 100% refund.
- If a student officially withdraws from an Occupational Extension (OE) class prior to the first class session, the student will receive a 100% refund.
- After an OE class begins and a student officially withdraws from the class prior to or by the 10% point of the scheduled hours, the student will receive a 75% refund.

* This refund is limited to the registration fee and does not include accident insurance, liability insurance, textbooks, or supplies. To officially withdraw for a refund, students must sign a refund form on or before the 10% point of the class. Call 252-493-7388 for more information.

INCLEMENT WEATHER

- Continuing Education and Workforce Development classes will adhere to the same schedule modifications (opening, closing, and early release) as those outlined for Pitt Community College.
