

How to Analyze Your TEAS Test Score

Review the sample report below to get a better idea of what will be on your report.

Individual Performance Profile ATI TEAS

Individual Name: Institution: Program Type: Student Number:	Your information will appear here	Test Date: Attempt: Days Since Last Attempt:	Your information will appear here
--	-----------------------------------	--	-----------------------------------

This is your **total score**. This score is used by Health Sciences Admissions to determine if you meet the minimum required score to apply to your program of choice.

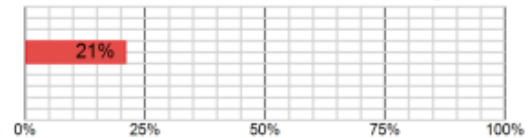

Scores

Total Score:

54.7%

Academic Preparedness Level: **Basic**
National Mean: 65.6%

Percentile Rank: % of students who scored at or below your score

These are your **content area scores**; individual scores for each section of the test. Understanding this information can help you create an effective study plan. *Example-* If you score lower on one category, you can create a specific study plan by subject area.

Reading Score:

74.5%

Math Score:

65.6%

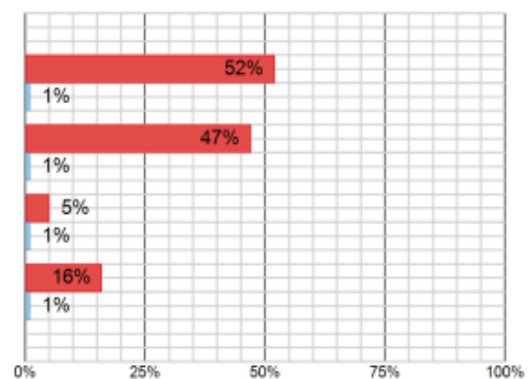

Science Score:

34.0%

English and Language Usage Score:

50.0%

Percentile Rank: % of students who scored at or below your score

National

Content areas do not add up to the total score

Topics To Review

Reading (47 items)

Craft and Structure (14 items, 64.3% answered correctly)

- Interpret the meaning of words and phrases using context. (ATI TEAS Study Manual Unit 1, Chapter 10)
- Evaluate the author's point of view in a given text. (ATI TEAS Study Manual Unit 1, Chapter 13)
- Interpret the meaning of words and phrases using context. (ATI TEAS Study Manual Unit 1, Chapter 10)
- Evaluate the author's point of view in a given text. (ATI TEAS Study Manual Unit 1, Chapter 13)
- Distinguish between fact and opinion, biases, and stereotypes. (ATI TEAS Study Manual Unit 1, Chapter 9)

Sub-content area scores: Content areas are broken down even further to provide scores for smaller categories which can be used to identify subject areas that need more attention when studying.
