

PROGRAM	CONTACT	DATE UPDATED
EMT – Basic Emergency Medical Technician Basic Continuing Education (CE)	Mekenzie Newkirk (252) 493-7742 lmnewkirk221@my.pittcc.edu	05-20-2024

The Emergency Medical Technician Certification is a qualified pre-hospital program consisting of didactic course work. The following competencies include but are not limited to the recognition, assessment, and management of medical emergencies. The EMT-Basic performs skills such as CPR, artificial ventilations, oxygen administration, basic airway management, AED defibrillation, spinal immobilization, vital signs, and hemorrhage control. Successful completion of the course will allow the student the opportunity to sit for the North Carolina Office of EMS certification examination.
