Transfer Guides

We've provided Transfer Guides for students at North Carolina Community Colleges to help identify courses that provide pathways leading to associate degree completion, admission into a major and baccalaureate completion. Visit **go.ncsu.edu/transfer-guides** for more information.

Transfer Credit Database

Use our extensive database to see how courses taken outside of North Carolina might transfer. A course that does not appear in the database likely means it has not yet been evaluated.

BUILD YOUR PATH

Understanding how credit will apply to a degree and taking the right courses before starting at NC State are important steps for a successful transfer experience.

NC State Transfer Planner

The NC State Transfer Planner was created to help ensure your time and effort in coursework and on exams contribute to your academic and career goals.

Any transfer plan created using this tool is for information only and will not be used in your admission decision or apply toward degree completion.

An official transfer credit summary is provided upon admission to NC State.
